

Grayson BOOST

A Main Street Grayson Investment Initiative

Investor Agreement Form

As a member of BOOST, I support the purpose and the mission of the group and pledge my commitment to assist in carrying out its work.

As an investor in Grayson BOOST, I understand my duties to include:

- A two year minimum commitment to the program
- To attend quarterly meetings to review grant requests OR to respond via email
- Invest a minimum of \$100 twice a year to the program
- To vote on grant requests and the amounts given to grant recipients

I understand that I receive one vote, regardless of the amount I have invested above the minimum of \$200/year in the program. Should I fail to fulfill the above commitments or can no longer fulfill the commitments to the group, I agree to remove myself as a member of Grayson BOOST.

As a member of Grayson BOOST, I understand that Main Street Grayson will be responsible for:

- Keeping me updated on quarterly grant requests
- Disbursing the grants accordingly
- Providing an accurate accounting of Grayson BOOST funds
